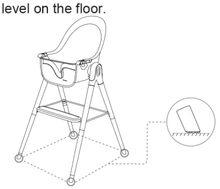
⑤ Insert safety bar into the seat frame.

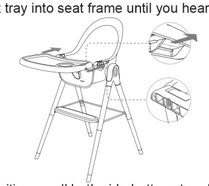
⑥ Check to make sure that all of the parts are stable and attached securely. You may need to rotate white foot pads so that the chair is level on the floor.



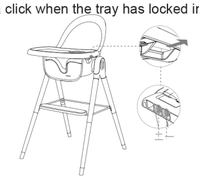
⑦ Basic assembly complete!

(2) Tray Adjustment & Installation

1. Find both tray buttons on sides of tray and pull outward at the same time. Insert tray into seat frame until you hear a click to lock into place.

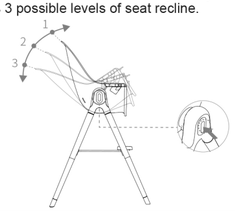


2. Tray has 2 positions, pull both side buttons to adjust tray position. You will hear a click when the tray has locked into place.



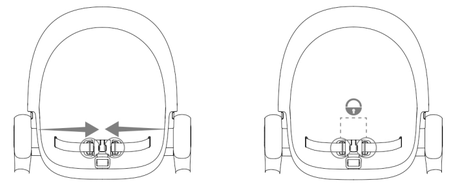
(3) Seat Recline Adjustment

1. Press both side buttons simultaneously to adjust seat recline angle. The Vista has 3 possible levels of seat recline.

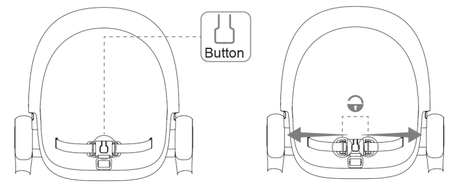


(4) Harness Adjustment

1. To fasten safety harness, insert two side straps into center buckle as shown in Pic 4-2.
2. To unfasten safety harness, press center button as shown in Pic 4-3.



Pic 4-2

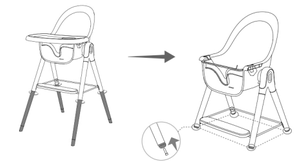


Pic 4-3

⚠ Warning: Baby *must* use the safety harness while sitting in High Chair.

(5) High Chair Conversion to Toddler Chair

Unscrew bottom half of legs and screw white rounded footpads to bottom of chair legs with four long M6*20 screws.



(6) Rocking Chair Conversion

Remove footpads from toddler chair and install rocking leg rails using the same four M6*20 screws as the footpads.

⚠ WARNING

FALL HAZARD: Children have suffered severe head injuries including skull fractures when falling from high chairs. Falls can happen suddenly if child is not restrained properly.
1) Always use restraints, and adjust to fit snugly.
2) Tray is not designed to hold child in chair.
3) Stay near and watch child during use.

RISQUE DE CHUTE: Des enfants ont subi de graves blessures à la tête, y compris des fractures du crâne en tombant d'une chaise haute. Les chutes peuvent survenir soudainement si l'enfant n'est pas correctement retenu.
1) Utilisez toujours des dispositifs de retenue et ajustez-les pour qu'ils s'adaptent parfaitement.
2) Le plateau n'est pas conçu pour tenir un enfant dans une chaise.
3) Restez à proximité et surveillez l'enfant pendant l'utilisation.

PELIGRO DE CAÍDAS: Los niños han sufrido lesiones graves en la cabeza, incluidas fracturas de cráneo, al caer de sillas altas. Las caídas pueden ocurrir repentinamente si el niño no se sujeta correctamente.
1) Utilice siempre sistemas de sujeción y ajústelos para que queden bien.
2) La bandeja no está diseñada para sostener a un niño en una silla.
3) Permanezca cerca y observe al niño durante el uso.

Maintenance

1. Cleaning Instructions:
   a. Seat & Feeding Tray: Wipe with damp cloth and soap. Dry immediately. Do not use abrasive cleaners.
   b. Legs: Wipe down with damp cloth and dry immediately.
   c. Feeding Tray Top: Dishwasher safe in **Top Rack ONLY** or clean with soap and water.
2. Exposure to high heat or direct sunlight for extended periods can cause damage or clouding to plastic products.
3. For maximum quality periodically check to ensure screws, legs, and other parts are securely tightened and free of damage.

LIMITED WARRANTY POLICY

PRIMO® warrants that the PRIMO® VISTA 3-In-1 Chair is accompanied with a limited warranty and is free from defects resulting from material, missing parts or workmanship for a period of 30 days from the date of original purchase. This warranty only applies to the original purchaser of the product. This LIMITED WARRANTY does not apply to defects from normal wear and tear, product misuse, product abuse, after market alterations or failure to follow instructions supplied for assembly, use, maintenance and care of the product.

If any defect is discovered during the 30 day warranty period, please call (973) 926-5900 or e-mail info@primobaby.com with a description of the problem and a request for return, authorization of parts or replacement. If PRIMO® determines that a defect is covered by this limited warranty, PRIMO® will, at its option, either repair, send new parts or replace product. The Limited Warranty extends to repaired and replacement products and components only through the end of the original 30 day limited warranty period from the original date of purchase. When authorization is issued for replacement or parts, send (postage prepaid) to:

PRIMO
149 Shaw Avenue
Irvington, NJ 07111 USA

The warranty details above shall be in lieu of any and all other warranties. ALL OTHER WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY EXPRESSLY DISCLAIMED.

This warranty is valid only with an original dated receipt.

Your remedies under this warranty are limited to repair or replacement of the product or components of the product as determined by PRIMO®. In no event will PRIMO® or any of its retailers, dealers, distributors or resellers be liable for incidental, indirect or consequential damages relating to the product (including any repaired or replacement products or replacement components) or its use.

To activate this limited warranty, the purchaser must complete the enclosed product registration card and have returned it to the PRIMO® address on the enclosed warranty registration card within 30 days of the original purchase date.

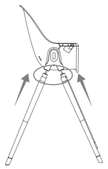
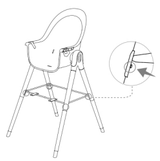
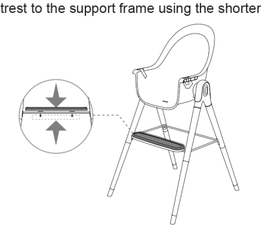
2. ① Screw upper legs (marked A/B/C/D) into lower legs (marked A/B/C/D). Ensure that upper and lower legs are matched into corresponding leg.

② Screw completed legs into seat frame.



③ Screw support frame tightly into legs with longer M6*20 screws. You may need to slightly turn the legs counterclockwise to align holes in the upper legs with support frame holes.





④ Attach the footrest to the support frame using the shorter ST4*16 screws.
